

Greenbank Mills & Philips Farm est. 1677

March 2026

To our Neighbors and Friends,

Greenbank Mills & Philips Farm is hosting our 21st Annual Shearing Day & Herb Sale on Saturday, April 25th, 10am-4pm, with a rain date of Sunday, April 26th. We make history come alive with demonstrations of shearing, dyeing, baking in the oven, tours, music and other trades, all free to the public. If you would consider sponsoring any station at our Shearing Day & Herb Sale, we can keep this event free so we can continue to connect with our community through knowledge of the Red Clay Valley industrial, agricultural and social history. There are multiple ways to contribute if you are able:

Sponsorship	Event Presence	Shout-Outs	Spots Available	Cost
Shearing Station	• Logo displayed at the Shearing Station all day • Your literature distributed to all guests • Logo Displayed on Sponsor Poster	• Social Media Post before event • 250x250 website ad space • Included in all press releases and email blasts	One	\$500
Herb Station	• Logo displayed at the Herb Station all day • Your literature distributed to all guests • Logo Displayed on Sponsor Poster	• Social Media Post before event • 200x200 website ad space • Included in all press releases and email blasts	One	\$350
